Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Richard Panik** from Lausanne HC makes contact with an opponent deemed **“Butt-Ending” – IIHF Rule 58**.

From the DPS’s perspective, Panik’s actions require that the penalty assessed on the ice be elevated to a **5-minute major and automatic game misconduct**.

As the video shows, after the play is whistled down and no goal is signalled by the referee. A couple seconds later, #77 from Lausanne Panik delivers a Butt-End to Rapperswill player #28 Albrecht. From the Behind Goal 1 camera, you can see #77 swing his stick into the mid-section of #28. Panik has two hands on his stick and when he retrieves his stick you can see the shaft above his upper hand is exposed. He makes contact with the butt end of his stick to #28 Albrecht. According to Rule 58.3 any player that butt-ends their opponent should receive a major penalty and game misconduct. This is not a hockey play, and we don’t want to see this type of action in our sport.
